

Dear Valued Customer,

We are writing to inform you of a packaging error concerning the product **OXYMETHOLONE** from the following lot:

- **Lot Number:** OL3583
- **MFG:** 08/24
- **EXP:** 08/29

The packaging incorrectly states the dosage as **10 mg/tablet**, while the actual dosage inside the tablet is **50 mg/tablet**.

If you have received this lot of OXYMETHOLONE, please note this discrepancy and ensure that it is communicated appropriately to avoid any confusion. The correct dosage is **50 mg/tablet**, as indicated by the contents of the tablets themselves.

We sincerely apologize for this error and any inconvenience it may cause your local distributor or email us sale.lapharma@gmail.com

Thank you for your understanding and cooperation.

Your Sincerely,
Team LA Pharma
